

REMARKS

Claims 2-6, 11, 17-18, 20, 44, 47, 49-50 and 52-64 have been canceled without prejudice. Claims 21, 42 and 51 have been amended. Claims 65-67 have been added. With entry of this Amendment, claims 21-22, 42, 51 and 65-67 will be pending.

In view of the cancellation of claims 2-6, 11, 17-18, 20, 44, 47, 49-50 and 52-64, the rejections thereto are moot. Therefore, only the objection to claim 42 remains. The Examiner indicated in the Office action that claim 42 would be allowed if the phrase "combinations thereof" was replaced with the phrase "a combination thereof." Claim 42 has been amended to reflect the suggested change. Accordingly, allowance of claim 42 is respectfully requested.

Claim 51 has been amended to depend from claim 42. Reconsideration and allowance of claim 51 is respectfully requested.

Claims 65-67 have been added. Support for claims 65 and 66 can be found, *inter alia*, on page 23, lines 19-23 of the specification. Support for claim 67 can be found, *inter alia*, on page 10, lines 7-12 and page 22, lines 17-21 of the specification. Consideration and allowance of claims 65-67 are respectfully requested.

Claim 21 has been amended to depend from allowable claim 65. Claim 22 depends from amended claim 21. Reconsideration and allowance of claims 21-22 are respectfully requested.

CONCLUSION

Applicants respectfully request allowance of the application. Should any issues remain, the Examiner is strongly encouraged to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Gregory J. Hartwig
